

# MS Kronstadt

Built in 1979 and completely reconstructed in 1989, the MS "Kronstadt" was refurbished in 2005. The public facilities consist of a Reception, Office and Snack bar on the Main (2nd) deck, Dining room, Souvenir shop and Pub Bar on the Middle (3d) deck, a Piano Bar and Entertainment Lounge on the Upper (4th) deck, and a Conference Room on the (5th) Sun Deck. Main, Middle and Upper Deck cabins are outward facing with big picture windows that open. All cabins have private toilet/shower facilities, refrigerators, forced air controls, radio and closet space. The ship also has six Presidential two room suites and twenty Single cabins. The "Kronstadt" has continually received the highest praise for its friendly service and a superb on board cultural and entertainment program featuring lectures, seminars and concerts performed by some of Russia's top entertainers.
